Commissioner for Patents

The information disclosure statement (IDS) filed December 8, 2004, fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because although the IDS was filed before payment of the base issue fee on December 22, 2004, it did not include certification (1.97(e) and a petition and appropriate fee. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609 C(1).
